Commercial offer for the shipments by air

Our ref. № AIR - 811 - 1 15 September 16

Заказчик **Europost Express (UK) Ltd**

The calculation is made according to the conditions and characteristics of cargo declared by you, according to the General conditions of transportations of "PSG" LLC stated on website <http://www.psg.su>. Rates are valid only for the shipments made in the terms which are specified in this document and in case of providing all documents demanded for transportation by the Customer. The offered rates can be changed without prior notice in case of change of shipments details (point 1) during booking and/or acceptance of cargo. The calculation is made providing that there is free transport at the time of booking. Other charges can be applied according to the General conditions of transportation stated on website <http://www.psg.su>

Liability of the shipper (IATA TACT Rules 2.1.2.)

The sender is obliged to observe the customs rules and other legislation of the countries of export, import and transit in point of transportation and delivery of the goods, including receipt of information and documents necessary for the implementation of these requirements; the Carrier is not obliged to check the correctness or sufficiency of required information, documents or marking.
